Subject: Letter of Appreciation for Outstanding Performance.

Dear Team,

We would like to express our sincere appreciation for the exceptional work delivered by Elite Energy International LLC on the 132 kV Overhead Line (OHL) scope for the HVDC Project Lightning in Das Island.

Elite Energy has successfully completed the assigned scope of work within the time frame with zero safety incidents. We highly value this outstanding performance and look forward to working together on future projects too.

We truly appreciate your hard work, dedication, and professional execution.

JAMES EUN

[DAS] Construction Manager of Project Lightning
Samsung C&T Corporation
